

One Voice Can Be Heard.

Make your voice heard with your donation to the Political Action Campaign (PAC). Every donation, large or small, will get us one step closer to our goal.

Due to the downturn in the economy, our annual auction has been postponed until next year. Your donation is needed now more than ever. By donating to the PAC, you are helping elect candidates and legislators who can make an impact in our industry.

Your PAC contribution will be donated to **Build a Better Wisconsin (BBW)** if it is less than \$100. The BBW selects candidates based on its review of each candidates' position and voting record on housing issues. The BBW Committee is governed by WBA Trustees from throughout the state, including a representative from the BCHBA, who will keep your local interests, as well as WBA priorities, in mind. **If it is \$100 or more, your contribution will be donated to the Builders Direct Fund (BDF).** The BDF allows you to choose the particular representatives your funds will support.
